St. Clair College

Computer Systems Technology - Networking

GPA: 4.0 | Over \$25,000 CAD in athletic and academic scholarships.

Windsor, ON

Expected 05/2028

Cumberland University (Transferred)

Information Technology

GPA: 4.0 | Over \$30,000 USD in academic and athletic scholarships.

Lebanon, TN

08/2024 – 05/2025

EXPERIENCE

Peer Tutor

St. Clair College | Windsor, ON

09/2026 – Present

- Tutor students in networking, programming, Linux, web design, and mathematics; adapt explanations to their coursework and skill level.

Mathematics Tutor

Cumberland University | Lebanon, TN

08/2024 – 05/2025

- Tutored 50+ undergraduate students in College Algebra through individual and group sessions, covering assignments, test preparation, and problem solving.

Cybersecurity Intern

ISH Tecnologia | Vila Velha, ES

01/2024 – 07/2024

- Built custom log parsers and automated ingestion processes for 120+ client environments, supporting security monitoring across 180+ clients.
- Automated SOC triage workflows with D3 SOAR and Securonix, improving team efficiency by 200%.
- Worked with L2/L3 analysts on Harpia SIEM, documenting bugs and addressing log visibility issues.

PROJECTS

TutorTrack | Electron, React, TypeScript, Vite, IndexedDB (Dexie)

- Built a local desktop app to organize students, tutoring sessions, notes, hours worked, and pay periods.
- Added earnings calculations and session history with data stored locally in IndexedDB.

SKILLS

- Programming:** Python, Java, JavaScript, TypeScript, SQL; React, Electron, GitHub.
